Subject: SSP 2 - Refusal & Probing Map
[20130425 LPR Refusal and Probing Maps.pdf](#)

Stephanie:

We developed the refusal data based on:

- Locations that were moved due to hard bottom
- Locations where the grab was abandoned after multiple attempts (at these locations, surficial TCDD low, typically below 20 ppt, one location 171 ppt).

We used information from the LRC report and the SSP tracking sheets.
